

Summer School Molecular Medicine

August 27th – September 27th, 2012, Jena, Germany

The Interdisciplinary Center for Clinical Research of the University Hospital of Jena invites young scientists from all over the world to participate in the Summer School of Molecular Medicine. The Summer School will be held from August 27 till September 27, 2012, in Jena, Germany, and will provide an excellent opportunity to get familiar with research topics of molecular medicine and modern laboratory techniques. In addition, social events will provide a setting to meet and to learn more about the cultural life in Jena and its environs.

Organizers

Prof. Dr. Regine Heller
 Institute of Molecular Cell Biology
 Center for Molecular Biomedicine (CMB)
 Jena University Hospital
 Friedrich Schiller University of Jena
 Hans-Knöll-Strasse 2
 D-07745 Jena
 Germany
 Email: regine.heller@med.uni-jena.de

Prof. Dr. Christian Hübner
 Institute for Human Genetics
 Jena University Hospital
 Friedrich Schiller University of Jena
 Kollegiengasse 10
 D-07743 Jena
 Germany
 Email: christian.huebner@mti.uni-jena.de

The Summer School Molecular Medicine is generously funded by the German Academic Exchange Service with grant from the Federal Foreign Office.

DAAD Deutscher Akademischer Austausch Dienst
